TERMS AND SPECIAL NOTES

The attached listing is believed to be accurate; however, please inspect any firearm you are interested in to confirm specific details. All firearms are sold as-is.

Unless indicated otherwise, all gun purchases require a criminal background check of the purchaser. Purchasers must be over 18 years of age to purchase a rifle or shotgun and over 21 years of age to purchase a handgun. Non-Virginia residents can only purchase rifles or shotguns (not handguns) unless they are a Federally Licensed Firearms Dealer, have a Curio & Relic license and are purchasing qualifying firearms, or unless they are having the firearm sent to an FFL holder in their state for transfer. To purchase more than one handgun in a 30-day period, a purchaser must be an FFL holder, have a Curio & Relic license and be purchasing qualifying firearms, have a valid concealed weapon permit, or obtain a Multiple Handgun Purchase Certificate from the VA State Police. A \$2.00 fee is charged to Virginia residents and a \$5.00 fee is charged to Non-Virginia residents for the required Criminal History Check. Any non-FFL holder purchasing a handgun will also be required to purchase a trigger lock at a cost of \$7.35.

All firearms must be paid for in full before the processing and Criminal History Check can take place. Acceptable forms of payment are cash, cashier's check or money order, personal/business check (with valid ID), Visa, MasterCard or Discover.

If a purchaser pays for a firearm and is then unable to receive the firearm due to a "Deny" following the Criminal History

Check (or for any other reason), the firearm will be resold for the purchaser in a future auction, as we are obligated to pay the current consignor based on the hammer price of the item. The reselling of the firearm for the "new" purchaser could result in a "profit" or a "loss." This also applies to firearms purchased by a non-Virginia resident being shipped to an out-of-state FFL holder for transfer.

All purchases of post-1898 firearms require a criminal background check in compliance with Federal and Virginia State Law. Purchasers of post-1898 firearms must complete federal and state Criminal History Check forms at Green Valley Auctions & Moving, Inc., 2259 Green Valley Lane, Mt. Crawford, VA 22841. Dealers must present a copy of their Federal Firearms License with an original signature the day of sale in order to purchase firearms without completing the background check.

If any firearm is shipped to another FFL holder for transfer, all shipping charges, materials and labor will be charged to the purchaser. Handguns must be shipped next-day air, without exception.

The issue date of the photo-ID **MUST** be 30 days (or more) prior to the transfer of the firearm.
